MFC/MBE 2010 ANALYSIS

The total number of questions was 200 while the time given was 120 minutes. The marking system was 1 for a correct answer and -0.25 for an incorrect answer. There was no sectional breakup, which just gives an indication that this exam might consider the overall cut-offs and not sectional cut-offs. There were 4 series of papers namely 11, 12, 13 and 14. The paper was of higher difficulty level as compared to last year which may lead to lower cut-offs this year. There were a few printing errors. The drill-down of the paper is given in the table below.

Section	No. of questions	Marks per question	Total marks
Verbal Ability and Reading Comprehension	50	1	50
General Knowledge	40	1	40
Logical Ability	50	1	50
Quantitative Ability	60	1	60
TOTAL	200		200

VERBAL ABILITY AND READING COMPREHENSION

The sectional breakup is as given below.

Topics	No of Questions	Difficulty Level
Sentence Correction	6	Medium
Word for Letter	4	Medium
One Word Substitute	6	Medium
Synonyms/Antonyms	10	Difficult
Verbal Analogies	5	Difficult
Grammar	6	Medium
Reading Comprehension	7	Difficult
Idioms	6	Medium
Total	50	

English was a tough section to attempt. The real tough subsections were the Vocabulary related Section. The Grammar questions were surprisingly easy. The Reading Comprehension section dealing with "Feminine aspects related to Literacy" had all the inferential questions. There was a set of 4 questions which required substitution of words with letters, which should have been attempted. The Sentence Correction questions were quite confusing in terms of options given. The **minimum correct attempts** in this section could have been **21+**, with a possible time allocation of 30 minutes.

GENERAL KNOWLEDGE

The sectional breakup is as given below.

Topics	No of Questions
Economics	32
Current GK	4
Miscellaneous	4
Total	40

Since the exam itself was Economics and Finance oriented, hence the questions on GK were heavily inclined towards Economics. The questions ranged from general theories of Economics and Finance to all the current developments in that field. Most of the aspirants would have found the questions doable, if they had gone through our Business Awareness Funda book. The questions on Current GK were mainly from Politics. The **minimum correct attempts** in this section could have been **28+**, with a possible time allocation of 15 minutes.

LOGICAL ABILITY

The sectional breakup is as given below.

Topics	No of Questions	Difficulty Level
Pie Chart	5	Easy
Bar Chart	4	Easy
Line Graph	4	Medium
Table-Based	4	Easy
Logical Caselets	17	Varying
Data sufficiency	16	Easy to Medium
Total	50	

The Logical Ability section was the easiest of all in difficulty level. The questions on various Graph types were of Medium difficulty level. There were 1-2 ambiguous questions and should be left. The Logical Reasoning caselets (5 of them) were of varying difficulty level and should be attempted in the light of the options given. There were at least 3 easy caselets which should be attempted. The questions on Data Sufficiency required basic knowledge of elementary Math and should have been attempted first. The **minimum correct attempts** in this section could have been **30+**, with a possible time allocation of 35 minutes.

QUANTITATIVE ABILITY

The sectional breakup is as shown below.

Topics	No of Questions	Difficulty Level
Probability	16	Medium to Difficult
P & C	4	Medium to Difficult
Inequality	14	Medium to Difficult
Algebraic Substitution	3	Easy
Function	5	Easy to Medium
Percentage	2	Medium
SI/CI	1	Easy
Calculus	6	Medium to Difficult
Mensuration	1	Easy
Co-ordinate Geometry	3	Easy to Medium
Remainder Theorem	2	Easy
Miscellaneous	3	Easy to Medium
Total	60	

The Quantitative Ability section was of medium difficulty level section with a sprinkling of difficult questions in between. The section was heavily skewed in favor of Modern Math and Inequalities. The questions from Probability were straightforward, while the inequality section was a little

difficult. The Calculus questions were of medium difficulty level. Co-ordinate Geometry was of medium difficulty level with questions taken majorly from straight lines. The questions from percentage and SI/CI were easy and should have been attempted first. The **minimum correct attempts** in this section could have been **34+**, with a possible time allocation of 40 minutes.

SECTIONAL SCORES AND OVERALL CUT-OFF

Below is present the summary of the above analysis.

Section	No. of questions	Marks per question	Total marks	Time Allocation (min.)	Possible Attempts (questions)	Possible Scores
Verbal Ability and Reading Comprehension	50	1	50	30	24-25	21+
General Knowledge	40	1	50	15	29-32	28+
Logical Ability	50	1	50	35	32-35	30+
Quantitative Ability	60	1	50	40	36-38	34+
TOTAL	200		200	120	112-119	113+

Overall the cut-off is expected to be around **115 for MFC and 105 for MBE.**

All the Best,
Team MBAGuru
