

MBAGuru AQA – 2026-8

- In the question below, the word at the top is used in four different ways. Choose the option in which the usage of the word is incorrect or inappropriate.*

Egg

 - Everybody was egged on by our teacher to enter a nomination for the all-India Mathematics Olympiad contest.
 - If we egg her up too much for money, she might get annoyed. **(Correct Answer)**
 - The BJP will get egg on its face if the trade unions' demands for more interest on EPF are rejected by a government in which it is a major partner.
 - Entering a jungle in the night certainly means walking on eggs.
- 139 persons have signed up for an elimination tournament. All players are to be paired up for the first round, but because 139 is an odd number one player gets a bye, which promotes him to the second round, without actually playing in the first round. The pairing continues on the next round, with a bye to any player left over. If the schedule is planned so that a minimum number of matches is required to determine the champion, the number of matches which must be played is

 - 136
 - 137
 - 138 **(Correct Answer)**
 - 139
